

## 1953 Jeep's Club Annual Turkey Run

By Bob Christian

The Wichita Jeep's Motorcycle Club was located on Hwy 42 near Pawnee Street. That is the same location as Scott Hall's previous shop's storage lot. This photo shows Jerry and Bob Ottaway after the race. Bob is holding the turkey and I guess Jerry got the drumstick.

Jerry and Bob are mounted on German-made Hoffman's. Jerry said that he and Bob were the Hoffman dealers for this area when they were 14 years of age. They sold enough bikes to buy themselves each a new motorcycle.
